Happy Fall!

I hope everyone had an enjoyable summer of fun and relaxation in preparation for the busy fall season.

With only 100 days to go, the Scientific Program Committee, lead by Drs. Matt Ellington and Elliot Greenberg, finalized a robust program for the 2026 Annual Meeting. It features current research, thought provoking lectures and nationally recognized speakers.

Please consider taking this opportunity to attend the meeting, learn more about the uniqueness of PRISM, watch for new research grant opportunities or become an active member in a RIG or committee. Each member has the ability to play a vital role in PRISM future. Looking forward to seeing everyone in Austin, TX. Happy holidays and safe travels.

Kind regards,

Donna Merkel, DPT SCS CSC

Registration is Now Open!

**AM26 beings Thursday, January 29 at 9 am!
More information, like the preliminary program and hotel information, can be found on the PRISM AM26 website!**

RIGs - [Submit Past Productivity](#) (published article, conference presentation, or grant/award from 2024-present) to be highlighted in the AM26 Program!

Join us on [#GivingTuesday](#) with a donation to PRiSM – supporting our mission to lead interdisciplinary research, education and advancement in pediatric and adolescent sports medicine.

Your donations help PRiSM fund research, provide expert programming, and offer educational opportunities to our community.

About [#GivingTuesday](#)
Celebrated on the Tuesday following Thanksgiving (in the US) and the widely recognized shopping events, Black Friday and Cyber Monday. [#GivingTuesday](#) kicks off the charitable season when many focus on holiday and end-of-year giving.
